At the March Area Committee Meeting, we got to hear from many of those who attended the 2016 PRAASA in Spokane, WA. The stories and experiences were wonderful and unique to each that participated. We are blessed to have had so many from our Area make that trip to Washington this year. Don't forget that our Area will be hosting the 2017 PRAASA in Sacramento, let's get the word out!

There are some new discussions that were brought up at the Committee Meeting and will continue as old business at the next meeting. Business discussions on the floor include: the search for a Written Translations Chair, Online Contributions on the Area web site, Conference Agenda Item Procedures, and Election Resume Reading at the Election Assembly.

Many of the Officers have participated in the Agenda Item Workshops throughout the California Northern Interior Area, the participation by the General Service Representatives and District Committee Members has been incredible. It is great seeing such enthusiasm for the General Service Conference. I am certain that our delegate will be eager to hear all that you have to say at the Pre-Conference Assembly in Madera in April.

Thank you for the opportunity to serve as Area Chair.

Love and Service,

Tom A.

CNIA 07 – Panel 66

Call to Action

Two years ago, California Northern Interior Area (CNIA) made a commitment to our Spanish Speaking members by adding a second Translations Chair position. We currently have both a verbal and written translation committees which serve the Area well. The translations team made great progress over the last Panel and we hope to continue this enthusiasm. You may be able to help us. The Written Translations Chair has rotated out and we are in need of filling her position. This may sound like it is too much to handle but you will not be alone. There are many translators that are already in place to help with the work load – you do not have to do this alone. The Officers and Committee Members are always a big source of help and they all want to see you succeed. Don't think that you have to do this perfectly. All of us wish we could do things flawlessly but that is unrealistic - We do the best we can! CNIA wants to continue to make translations a priority to those members who benefit from the work of the committees. If you or someone you know can help in filling this much needed service, we would love to here from you. Even if you just have some questions, Contact me today! chair@cnia.org

District Reports

D09 – Cindy W, DCM – District 09 met on Sunday, February 3rd for its monthly business meeting. There were 10 members present. All District positions, with the exception of Recording Secretary have been filled. As requested by the PICPC Chair, the District is now printing its meeting schedule in tri-fold format for use in brochure racks. The Area Alternate Chair will be conducting a GSR school at next month's business meeting to be held February 7th in Yreka. Mary H., Chair of the Post Conference Assembly committee has prepared the flyers for Assembly registration and they are now available.

D11 – Larry W., DCM – First, I want to thank District 11 for having faith in me for the next two years. Pretty amazing, particularly when it dawned on me that next year I will be 70. As a district, on the table, is to change our meetings back to the second Sunday. For years they had been the second Sunday, until 3 years ago when it was decided to shift to the fourth Sunday, which worked well, until last November when that Sunday conflicted with the Assembly. And again with this year's Post-Conference in Mt. Shasta this May, and next year's 2017 Winter Assembly hosted in Paradise.

D15 – Eloy M., DCM –The district meeting was well attended. Group representation was low. Discussed holding the 2017 Winter Assembly in Paradise at the Elks Lodge where the 2013 Elections were held. The Mock Conference will be held in at 1600 Mangrove Chico, CA on February 27, 2016. Looking forward to our newly

If anyone would like the Archives table at your functions please feel free to contact me.

Thank you for allowing me to be of service to AA

BTG – Ken M – I'd really like to thank the Area for re-appointing me as BTG Chair. This gives me a chance to make up for my screw up last year for not setting up the Area BTG Workshop. I have been talking with Roy, my Alt Chair to get the BTG committee set up and job descriptions set up and figured out. Needless to say we are moving forward with setting up a "committee" that will have continuity from one panel to the next, which I believe, will help a lot.

I'd like to thank all the District BTG Chairs from last panel and welcome any new ones for this panel.

I was a member of the eServices Committee during the last panel and I am very excited to continue on as the Committee’s Chair. At the end of last Panel, we had just published, with a lot of help, the CNIA website in Spanish. If you haven’t seen it yet, there is now a Spanish button on the Home Page, so you can go try it out. Brooke, the previous eServices Chair, has been very helpful showing me around the website and mail system. I have reset all CNIA passwords for the Appointed Chairs and DCMs and have an instruction sheet printed out for you on how to access your mail and change your password. Please contact me if you have any problems getting your mail set up. Finally, there are still openings on the eServices Committee and I believe Tom will talk more about that at some point. There are openings for people with technical skills and for a Spanish speaking member. If this sounds like you, put your resume in, and come and join us! The Area Officers were able to work together to fill many of the Appointed Chair positions and look forward to seeing them flourish in their new positions. It is a position that only a special group of alcoholics can fill. The E-Services Committee is also in need of one Spanish speaking member and two members with experience in technology. If you are considering serving in this way, please let us know. I have met with the E-Services Chair and she is very excited about getting started with this team.
