## CHAIR'S REPORT

**Vikki L**

**chair@cnia.org**

I want to start out my report by expressing my gratitude to the trusted servants who make themselves available to serve in General Service. I know it is not always fun or easy to sit in a hot room all day on a Saturday in the middle of Summer. For me, I do it because I love Alcoholics Anonymous and I feel I need to give back what was so freely given to me. Also I do it because I have made a commitment to be there and to do the best I can. But more than that, I am there because I have a responsibility to the people that I serve who trust me to carry the message of Alcoholics Anonymous.

We had our last Area Committee meeting on Saturday, July 21<sup>st</sup> in West Sacramento. After the morning reports, we moved onto the discussion items. The first item was the possibility of the Area paying an old debt acquired by a "dark" district. Telephone calls were made to the company regarding the bill, and we have not received a return call. We have not received an invoice. We need an actual invoice with details from the company before we consider making any contribution toward this debt. After a full discussion and plenty of participation, we decided to wait until we receive the invoice and the contract from the business. This conversation will continue in August.

We continued our discussion regarding the Accents/Acentos becoming just anonymous. We were reminded that in August 2011, there was a motion to publish the Accents/Acentos in only anonymous versions. The vote was 10 in favor; 9 opposed. We needed a two-thirds majority. Since we did not get a two-thirds majority, the motion did not pass. The other discussion item was the possibility of having a YPAA Chair at the Area level. There was a request for the job duties/responsibilities to be formed so we could better assess the situation. Both this discussion and the Accents discussion will continue next month.

I also want to take an opportunity to thank you for sending me to NCCAA in Auburn last month. I had an amazing time! It was an honor to represent CNIA at the business meetings. It was really cool to hear the Delegate's report from Coastal. I want to say thank you to Nancy M. and Roger M. for their participation. Lela did a wonderful presentation about Unity in General Service. Woody R. presented the history of CNIA and NCCAA. There was a ton on service and recovery crammed into one weekend. I hope if you get the chance, please do not miss the next NCCAA Conference. It is going to be in Sacramento on October 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> at the Woodlake Inn. Also please let me know if you plan on going. As always, I am looking for volunteers to serve as readers, moderators, etc.

Thank you for letting me be of service.

*Love,

**GSR Preamble:** We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A. We realize that the ultimate authority in A.A. is a loving God as He may express Himself in our group conscience. As trusted servants, our job is to bring information to our groups in order that the group can reach an informed group conscience. Passing along this group conscience we are helping to maintain the unity and strength so vital to our fellowship. Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our groups and A.A. as a whole.

### A reminder for 7th Tradition contributions to CNIA:

Don't forget to include your group's name, GSO ID and to sign the check! Please mail to: CNIA, P.O. Box 161712, Sacramento, CA 95816-1712

## **LITERATURE CHAIR REPORT**

**Celia B**  
**literature@cnia.org**

It's an exciting time to be literature chair. It's probably always exciting, but this is my opportunity and I'm grateful to have it. Thank you for this chance to learn more about our literature and share it with you guys.

First, I'd like to talk about translations, how we carry the message to people we will never see and can never talk to. Our literature has been translated into 87 languages such as Hmong, Korean, and Nepali. As of June 30, 2012, there are 1,152 publications, including pamphlets, in other languages. Many languages "for now, only have a list of the Twelve Steps and Twelve Traditions in that language with translations of books, pamphlets, etc. a tenuous dream for the future (from "AA Translation Worldwide" as presented to the General Service Board in July 2012)".

Alcoholics Anonymous alone has been translated into 67 languages. AAWS is currently translating the book into Navajo. Thirteen other translations are being worked on around the world with AAWS's permission and the help of the international literature fund (a fund maintained by the many General Service Offices around the world in order to publish literature where no service structure exists). The Big Book will soon be available in K'iche' (Mayan), Bambara (Mali), and Haitian Creole, among several others.

As you know, new literature on spirituality (including stories from atheists and agnostics) is still in process. We received 200 stories before the submission deadline passed. These were weighted toward traditional spiritual experiences and the Conference Literature Committee recommended to the Trustees Committee that we ask for more stories to better reflect the beautiful diversity of our fellowship. This was just a recommendation and the final decision is up to the Trustees Committee. But we should pay attention because we may have another opportunity to share our experience.

Regarding new publications: The updated version of AA and the Armed Services was just released, with several new stories that reflect more recent military experience. Also, the Trustees Literature Committee is in the process of deciding on one final piece of the update of Living Sober. Once they reach their decision, the book will be ready to go. Both Living Sober and the new As Bill Sees It, which includes the 12 Concepts for World Service, will be printed as stock runs out in about two months. All three of these publications, as well as the new AA Service Manual and the Membership Survey pamphlet, should be available at our Mini-PRAASA in October. Please come by the literature table to check them out.

Finally, I'd like to share with you something cool that I learned from a DCM at our last Area Committee Meeting. The Library of Congress currently has a show in the Smithsonian of the 88 "Books that Shaped America", crucial books that define who we are as a country. Alcoholics Anonymous is one of those 88 books. On display is a facsimile of the first edition as it was published in 1939. It is humbling that our book is included among The Federalist Papers, Benjamin Franklin's Poor Richard's Almanac, The

Cat in the Hat, and other great works. It's a wonderful testament to the impact our literature and our program of recovery have had on millions of alcoholics in the country and around the world.

## OFFICERS' REPORTS

**Registrar – registrar@cnia.org – Brent G** I received few address changes. There is information in your folders. We receive a return guarantee addressed card from post office to make changes when not accepted by mail. It's a way to make updated changes with groups receiving mail from the Area.

**Secretary – secretary@cnia.org – Jan P** Thank you so much for your emailed and written reports – it helps a great deal to verify information you say at the mic OR, if you might be absent, your report can be read and will appear in the Accents/Acentos.

**Treasurer – treasurer@cnia.org – Ann R** This month processed donations, paid bills, updated banking records to reflect the new officers including your treasurer. Melody T. of the Finance Committee and I reviewed the current process for accounting to see where we may be able to streamline our processes, where we might make some changes in our reporting to you, so the financial aspect of our service speaks to you and is easily understood. We have some ideas, but will

take a bit of time to put them into place. We look forward to perhaps graphical representation of our financial status in the months to come. We are bringing our tax records current with notifications to Franchise Tax Board and the Internal Revenue Service as required for non-profit status. I thank our Officers for our monthly Officers meeting. Please mail your Area Expense Reports to Treasurer, Ann R, CNIA 07, P.O. Box 161712, Sacramento, CA 95816-1712, or give to me at the Area meeting.

I am looking for volunteers: DCMs to serve on the Committee for Area Inventory and the Committee for the GSO Inventory. GSRs to serve on panels at the Area Assemblies. DCMs to obtain a list of available GSRs and either email me with your list or give to me at the August ACM. We need panelists for NCCAA in Sacramento! Please let me know if you're interested.

On July 14<sup>th</sup>, I shared at Oak Park Fellowship in Sacramento. We held our monthly Officers meeting via conference call on July 17<sup>th</sup> and discussed Area & GSO Inventory, Forum in September, Proposed

Budget. Our next meeting is August 15. Lee W and I are invited to Pershing Fellowship in Stockton to facilitate a group inventory. And August 26 is the NCCAA steering committee meeting in Stockton.

**Alternate Delegate – alt-delegate@cnia.org – Kelley M** Wednesday, July 11, I gave a PI/CPC presentation to D-32 at Fremont Fellowship in Stockton. Bridging the Gap (BTG) Chair Matthew L also presented at the meeting. I attended the Sacramento Area CCF PI/CPC Meeting, held the second Monday of every month. The Committee is working on a variety of projects including wider distribution of Public Service announcements and opportunities for outreach to the professional community. I attended my first NCC Conference in Auburn and listened to the CNCA Delegate give his Conference Report. I participated in the CNIA Officers Conference call. I am available to serve as a Resource Coordinator for any Districts who are seeking help for their PI/CPC Committees. The new membership survey is available online and pamphlet is available through aa.org.

## DELEGATE'S REPORT

**By Lela M  
(delegate@cnia.org)**

**New Groups** – Hornbrook Specials, D-9; Nuevos Amigos, D-53; Precisely How. D-17; Sisters into Solutions, D-11.

**Delegate Reports, and other** Recent visits to Fresno for Spanish history of Districts, Fresno for Combined District visits (English), D-15 Chico, D-21 Auburn, NCCAA in Auburn. Upcoming visits are: Grass Valley, Yuba, Placerville, Manteca. Invitation from NCCOM (Northern California Central Office Managers) to speak – they are asking about AA online store, eBooks, experience at the conference, and other items.

**Nominating** It was my honor to forward an updated resume for the Honorable Richard A. Vlavianos' for consideration as a Class A Trustee. GSO acknowledged the resumé and let me know that he is in the active file for

consideration. People in CNIA have submitted resumés for AAWS and GV Non-Trustee Director positions – it will be exciting to hear if people are called for interviews. I understand that Rod is Chair of AAWS Nominating Committee and has received many resumés, with the window still open.

**Finance** Terry Bedient letter – inputs were due July 15<sup>th</sup> about ways to be self supporting without literature. We had two memos from Past Delegates. A few highlights to consider -- One suggested a personal plan and a group plan, and one suggested ways to cut expenses.

Reminder: Birthday envelopes are a great way to contribute. (Dick B is acquiring some for the Area.) *Other possibilities:* Have or set up own personal "Plan". Our CNIA Inventory has been done but we may do again. GSC Inventory – the ad hoc committee decided how to weave in financial input from members. Perhaps consider less \$ for dinners @ conferences and assemblies. Maybe request annual contribution from groups.

**New Publications** *Grapevine:* AA GV, Young and Sober in book form and ebook; AA GV Ebook – Emotional Sobriety 1+2, Step by step; Daily GV quote online [www.aagrapevine.org](http://www.aagrapevine.org) with 10,400 daily subscribers! 50% of CDs and 75% off tapes.

**AAWS** AA and the Armed Forces pamphlet (new look); 2011 membership survey highlights (average age of member is 49 years old); GSO Markings on the Journey – digital subscription at [www.aa.org](http://www.aa.org)

### **Treatment and Special Needs**

**Committee** The conference committee recommended some changes that won't appear until next printing of the kit. Still have some in stock. Highlights include: change wording in the section on basic suggestions (you may hear basic suggestions for sobriety); removal of fact sheet – it is redundant.

**Reminder: BTG Workshop in Minneapolis in September**

**Some questions to consider for GSC and our Area:** How does GSC

deal with diversity (Latinos/African American/less meeting attendance – what are we doing about it? Workshop topics are great, but what are we really doing about it? Conference focus was vision – now looking at 5 years out – what is the typical outreach we can do – we have inefficiencies and how to become more efficient. General Service Office – perhaps a number to call automatic system and tell what you want as has been done with the Birthday envelopes. A group in San Diego doesn't agree with GSC and begun the process for the subtitle for the AA pamphlet for military. Diversity or lack of it – something in our inventories that we address here: youth Hispanic and Young People in our community – hope with upcoming inventories will be more specific. Please highlight problems BUT add solutions too!

### **Discussion Topics**

*D-47 Request for D-49 Answering Service Non-Payment December 2011-April 2012*

*(continued discussion from June ACM)*

Telephone calls were made to woman with company regarding bill and they have not returned any of the calls, therefore no further information can be given. We have not received an invoice. We need an actual invoice with details from the company before any funds are paid. D-53 contributed \$48 and D-47 is putting in a 'holding' account. Unfortunately, this District has gone dark in the past (many little towns over a very large area) and there is a concern about members in the District not receiving Area or GSO information; there is a possibility to combine D-47 and D-49.

*Appointed YPAA Chair Possibility by Regina K*

*(continued discussion from June ACM)*

ACM requested job duties/responsibilities to be formed and no one here today; however, we want to know responsibilities of a YPAA Chair // We are surprised there wasn't any YP attending as representative at this ACM // Our Area has been trying to have YPAA liaison's give a report // We want to be as inclusive as possi-

ble // YPAA is primarily for socializing and concerned about knowing the Traditions // Do Appointed Chairs vote? No // YPAA has a liaison to NCCAA – perhaps liaison to CNIA instead // Financial implications if Appointed Chair vs a liaison // Idaho Area has the only YPAA Appointed Chair // ICYPAA was founded for the purpose of providing a setting for an annual celebration of sobriety among young people in AA // *more discussion at the August ACM.*

*Consider Publishing Accents/Acentos All Anonymous*

We were reminded that in August 2011 there was a motion to publish the Accents/Acentos in only anonymous versions. 10 in favor; 9 opposed. We need 2/3<sup>rd</sup> vote to change.

*Discussion to be continued at the August ACM*

Motion to close and seconded to adjourn @ 3:20 p.m.

Respectively submitted  
Blessings & *Humbled* Thankfulness,
