

Hello wonderful trusted servants of Area 07,

I am Christine T. DCM from District 09 and in the AIG (Accessibility Interest Group). We handed out an anonymous five-question Accessibilities paper survey at Mini-PRAASA. If you did not complete and return the paper survey, please complete the electronic survey. Please share the survey with your district, groups, and GSRs. You may have completed a survey on Survey Monkey from a previous email. If so, please complete this one. I apologize for any confusion this may cause. We were unable to record all the responses from Survey Monkey.

Taking the survey will help us better inform groups and districts of views on this topic in our Area before we vote on a motion to add an appointed chair position for accessibilities. If you have any questions, please reach out to:

- aigcni7@gmail.com

If you didn't already take the paper version of the survey at the Mini-PRAASA, please click [here](#) for English and [here](#) for Spanish. AIG wants to hear from **ALL** AA's in Area - 07 regarding Accessibilities - it is open to DCMs, GSRs, Alternates, District Officers and AA Members-at-Large

- The survey will **remain open through December 15th**; this will give the AIG time to aggregate data/analyze the results prior to presenting the information at the Winter Assembly
- If you'd like to learn more about Accessibilities or have questions, please reach out to AIG.

Gratefully in service,
Christine T.
DCM D09 CNIA07 P74
