Dear A.A. Friends:

The response to the release of the Plain Language Big Book has been heartwarming. The initial print run of just over 70,000 copies sold out in only two weeks!

In preparation for a second printing, the General Service Board noted revisions that better align with the 74th General Service Conference's recommendation (Advisory Action) to move ahead with the printing of the book.

Prior to the first printing, the General Service Board made adjustments to align with the Conference's direction. However, the Board now realizes the adjustments that were made fell short. A regrettable and unintentional mistake had been made. We have worked together to correct those mistakes quickly.

The changes outlined below may be very consequential for some, and less significant for others, but the Board feels responsible to see that the Advisory Action from the Conference is carried out.

In addition to the changes to the text of the Plain Language Big Book outlined below, the language on the back flap will be amended to better reflect the progress of this project. The third sentence will now read, "The 72nd GSC reviewed a progress report, and sample chapters were reviewed at the 73rd GSC."

My sincere apologies for any inconvenience this may have caused any of our members, and I appreciate your patience and understanding. The order for the second printing has been placed to include the changes outlined below. We expect the book to be back in

stock in approximately 4-6 weeks.

Thank you again for your understanding. I hope you find the Plain Language Big Book a useful tool for reading the Big Book, Alcoholics Anonymous, and helpful with carrying our life saving message.

Scott H.

Chair, General Service Board
