

## **California Northern Interior Area 07**

### **January 2026 Delegate Report**

I am an alcoholic. My name is Claudio. Its a joy and delight to serve as Delegate for California Northern Interior Area 07 Panel 76

I didn't get a chance and forgot because I was full of emotions at the Election Assembly. I want to say thank you to My Girlfriend Jessica for all her support the last few Panels. My Family, Sponsors, Service Sponsor and all the people who I have served with over the last 8 years of serving in the Area. To the Area for the opportunity to serve and for the trust you have placed on me to serve as your Delegate.

My sobriety date is 12-15-06 and my home group is the Natomas Group. You can find me at Peace Lutheran Church 924 San Juan Road in Sacramento on Monday nights at 7:00pm. I stand before you today as the Delegate but I never forget that I am an AA member first, trusted servant second.

What does a Delegate do? I get to serve as a communication link between the area, the General Service Office (GSO), AAWS, and the Conference structure throughout the year. I get the opportunity to listen to your group conscience and take your voices in my heart to the General Service Conference which begins April 26th in New York. I help ensure you have timely, relevant information to share with your districts and home groups as I receive the information. Sometimes information gets out before I even receive it. Please know I will share information when I receive it.

Where to find my reports and information that I pass on from GSO, AAWS and Grapevine is on our Area Website in the Delegates Page. Please have some patience as we are all starting new positions so it might take some time to get things rolling. I will send out an email to the DCMS when we get things up on the website.

I am pleased to announce that I will be serving on the 76th General Service Conference Committee on Cooperation with the Professional Community. Below you will see the Delegates that I will be serving with at this year's Conference.

## **Information on the General Service Conference**

There are 136 voting members of the 76th General Service Conference Annual Meeting.

Ninety-three delegates elected by the service areas of the U.S. and Canada comprise 68.38 percent of the voting body. Delegates always make up more than two-thirds of the voting members.

The General Service Office staff, general manager and Grapevine office staff and the Grapevine executive editor/publisher, totaling 17, comprise 12.5 percent of the total.

General Service Board of Trustees and Alcoholics Anonymous World Services, Inc. (A.A.W.S.) and Grapevine directors, totaling 26, comprise 19.12 percent of the voting members.

The usual composition of the General Service Board of Alcoholics Anonymous consists of twenty-one trustee members.

Six trustees, known as Class A trustees, are nonalcoholic. Class A trustees bring to the Board special expertise in areas such as business, medicine, and law, and are asked to serve for six years.

The alcoholic (Class B) trustees serve for four years. Eight regional trustees are elected, one from each of the regions of the U.S. and Canada. Two trustees-at-large are elected, one from the U.S. and one for Canada.

The remaining trustees, called general service trustees, are selected based on their expertise in areas of finance, publishing, or other fields that would be helpful to the General Service Board and its corporate boards. Currently, there is one general service trustee.

The A.A.W.S. Board oversees the activities of Alcoholics Anonymous World Service, Inc. (except for Grapevine material) and the General Service Office. This board is currently composed of nine directors: two regional trustees, two general service trustees, three on-trustee directors, the general manager of GSO and the GSO staff coordinator.

The Grapevine Board oversees the operation of AA Grapevine, Inc., and is composed of nine members, including one Class A trustee, one general

service trustee, two regional trustees, four non-trustee directors and the Grapevine executive editor/publisher.

### **La Vina 30<sup>th</sup> Anniversary (XXX La Vina)**

- We are hosting the XXX La Vina Anniversary on July 24 – 26, 2026 in Area 72! Save the date cards will be available shortly.

### **Preliminary Agenda Topics**

- This year 110 Proposed Agenda Items (PAI) were received prior to the September 30<sup>th</sup> deadline.
- The final agenda topics will be available in February 2026, with background information available by late February. I will send an email as the information becomes available.

### **Pacific Region Alcoholics Anonymous Service Assembly (PRAASA)**

- Registration for the PRAASA is now open! It will be held at the Hilton Hawaiian Village Hotel in Waikiki, Oahu, February 27 – March 1, 2026. The theme this year is “Finding Common Ground.” Registration details can be found at: <https://praasa.org/registration/>.
- To keep costs down here are some ideas:
  - Share a room with someone at the host hotel. That experience can often create lifelong memories. My memories have always been good, but I've heard of some that weren't so memorable.
  - Explore your booking options. If you book the Hilton Hawaiian Village through another site or discount, that's perfectly fine. Just make sure the name on your PRAASA registration matches the name on your hotel reservation so the host committee gets credit toward their room block.
  - Consider a vacation rental and share with friends! This can be a great cost-saving option.

- If you are attending PRAASA, the program chair is looking for people to volunteer at the conference. They need timekeepers, moderators, and panel speakers. Please contact our Alternate Delegate, Holly, and provide her with your name and contact information. Grapevine and La Viña Updates

### **Grapevine & La Vina updates**

- GV App Investment Update: Apple and Google payments to Grapevine now exceed the original \$400K app investment from the GSB in 2023 (\$421,250).

## **Let's Talk About Money**

AAWS/General Service Board Summary (YTD September 30, 2025)

- Total operating revenue is \$13,775,293 which is about 6% less than the budget of \$14,608,870.
- Total operating expenses before depreciation are \$13,650,321, which is about 3% less than the budget of \$14,059,309.
- Operating surplus before depreciation is \$124,971 compared to a budgeted surplus of \$549,561.
- Contributions are \$7.08M which is 11% less than budgeted and significantly lower (13%) than 2024.
- Due to capital expenditures a 2.45M drawdown on the Reserve Fund was approved at the July 2025 board meeting (2.1M for retrofit and 350K for GVLV operations).
- In December 2025, AAWS approved UP TO a \$750K drawdown to pay outstanding bills, largely to our literature printing vendor.
- The impact of the drawdown will leave the Reserve Fund between 4.5 to 5 months coverage for operating expenses versus a target range of 9 to 12 months.
- I had to look up some of the words I just read to you and still didn't understand them. I'm going to need them to make a simple plain language version for me when they explain numbers. Please be patient with me as I learn and expand my vocab. I will probably need a numbers or finance sponsor to help me understand these numbers. I want to learn so I can best serve you in the Area.

## **Grapevine / La Viña Summary Year to Date September 30, 2025**

*Numbers reflected below are based on the re-forecasted budget approved at the July board meeting*

- Grapevine's bottom line (GV Net Loss) (312K) has improved by 51% from this time last year. After the Q2 losses were reforecast at \$300K.
  - Keep in mind our initial 2026 budget, expected a loss of \$134,862.
- App subscriptions grew 24% (17,057 vs 13,771), but print declined -8% (41,643 vs 45,492)
- Subscription income is \$31K higher than the reforecast and \$51K higher than last year.
- Total Gross Margin is \$1.372M, which is an \$111K improvement over last year and \$32K higher than the reforecast.
- Operating expenses (before depreciation) were \$1.572M, \$30K over reforecast but \$227K lower than last year.

- Total subscriptions are 192 above reforecast, but 563 lower than last year. As expected, digital and app subscriptions increased, while print subscriptions declined. (In Q3 we experienced a boost of 1,000 app subscriptions from the International Convention.)
- GV Subscription income is above reforecast and higher than last year. This is primarily due to a prior price increase, as renewing subscribers are paying higher rates.
- La Vina cost of service was \$364K, \$1K over budget, but \$78K (18%) lower than the first nine months of 2024.
- Year over year, La Viña subscriptions have grown and higher income from both subscriptions and content sales, while having reduced overall expenses.
- Subscriptions for La Viña continue to do well with an average of 8,036. This is 1,050 higher than last year but is under forecast by 437.

**Alcoholic Anonymous World Service Finance Committee** The Finance Committee reviews and approves AAWS financial reports, the annual budget, and the revised mid-year budget. In addition, the committee approves changes to literature prices and discusses matters related to self-support.

The Committee welcomed Nick S., a General Service Office (GSO) staff member, who has joined the newly created Self-Support service desk. Nick will lead self-support communications and recurring contribution initiatives, coordinate messaging and visual materials across departments, and provide regular reports to the Self-Support Subcommittee.

The AAWS Finance Committee recommended that monthly communications be initiated with Conference members from the Self-Support area, developed in consultation with the AAWS Treasurer, the General Service Board Chair, and the General Manager, with regular updates provided to the AAWS Self-Support Subcommittee.
